

Before

A hand-drawn sketch of a mobile app sign-up screen. At the top, the word 'Wording' is written in a cursive font. Below it, the text 'sign up' is underlined. There are two input fields: 'Email:' followed by a horizontal line, and 'Password:' followed by a horizontal line. At the bottom, there is a rectangular button with the word 'Next' inside.

After

A hand-drawn sketch of a mobile app sign-up screen, similar to the 'Before' version but with additional options. It features the same 'Wording' title, 'sign up' header, and 'Email:' and 'Password:' input fields. Instead of a 'Next' button, there are two stacked rectangular buttons at the bottom, labeled 'Home' and 'Tutorial'.

Before after signing-up with E-mail the user would click next to go through the on-boarding process. Someone found this confusing, so I added an option to either click Home / Tutorial. Now this allows the user to either go to the home screen or watch a tutorial of how to use the app after signing-
