

USER STORY

As a surfer planning my surf trip to another country, I want to be able to check out all surf spots suiting me in the region and save my favorites, so that I can plan my trip accordingly.

TASK FLOW 1

Entry point:

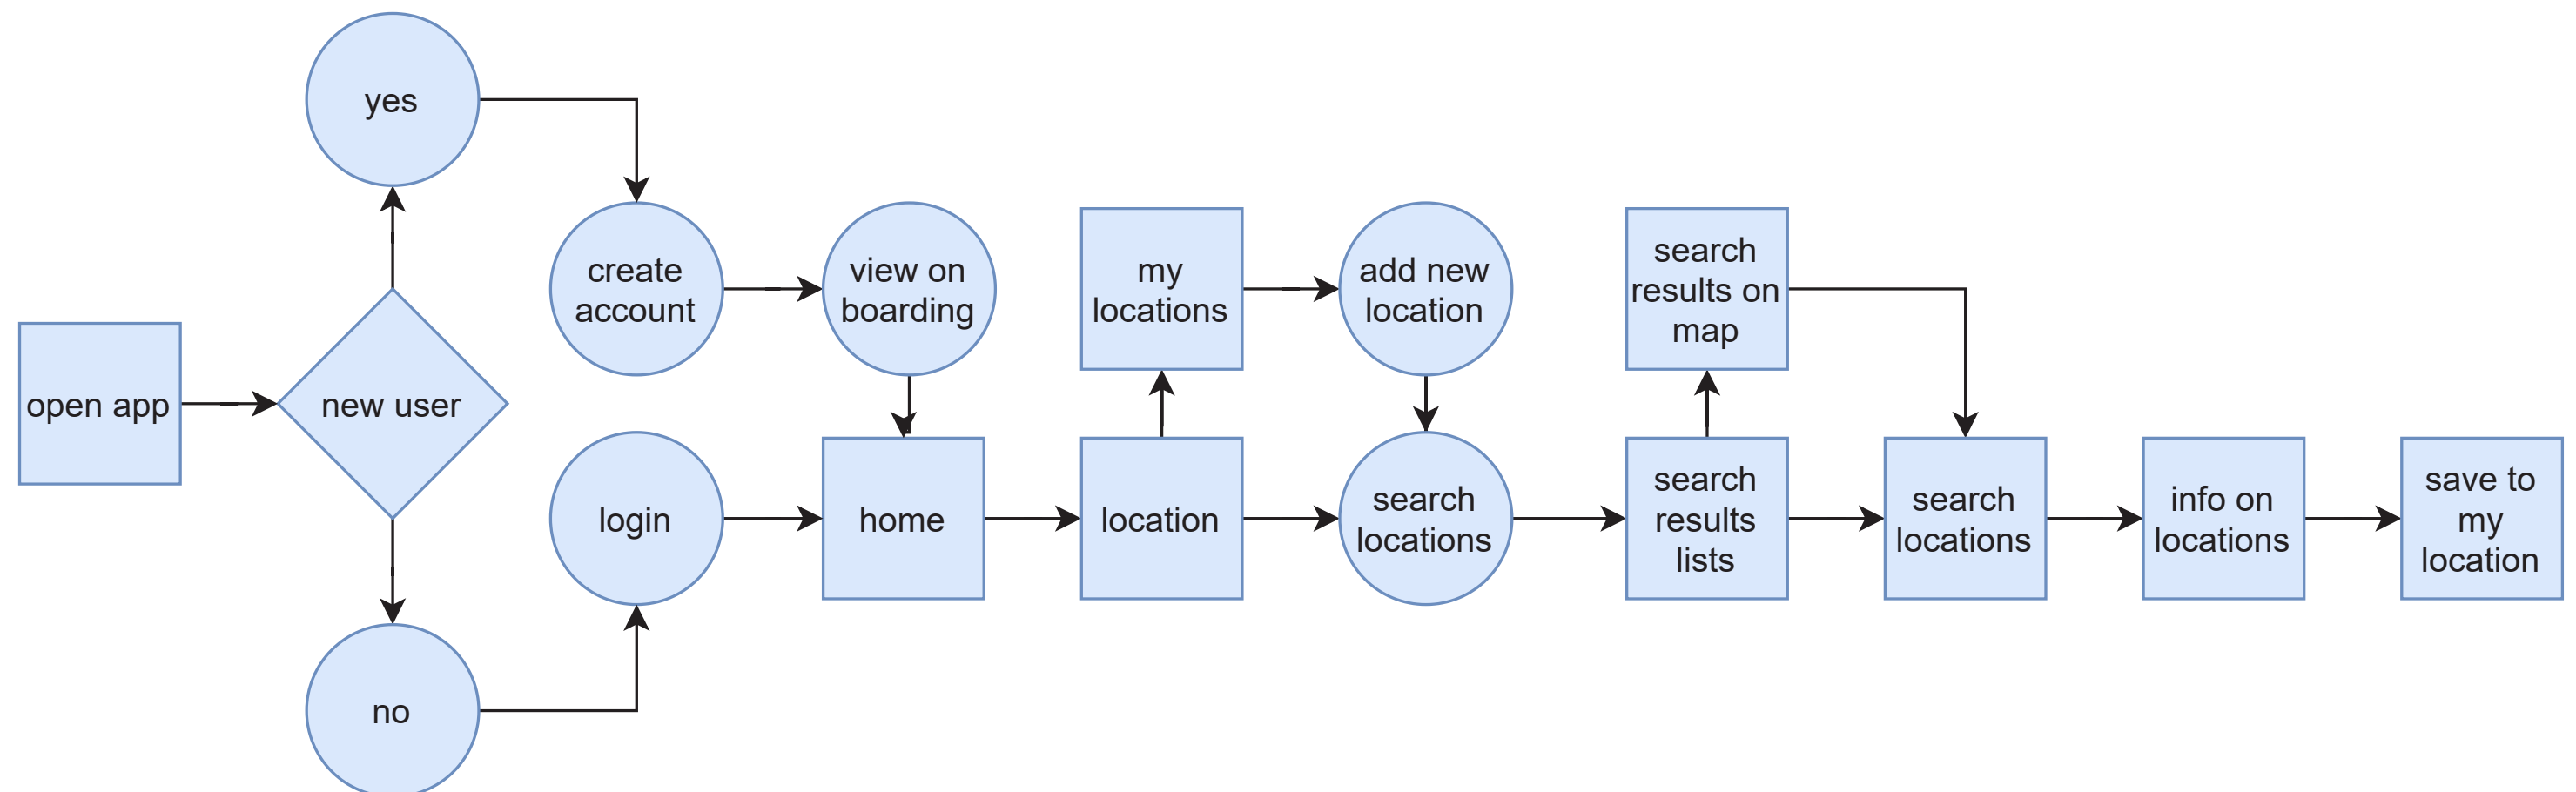

Open app

Success criteria:

Selected location saved to My Locations

USERFLOW

SAVE LOCATION TO MY LOCATIONS

USER STORY

As a beginner surfer, I want to be able to list all the surf schools nearby, so that I know what my options are.

TASK FLOW 2

Entry point:

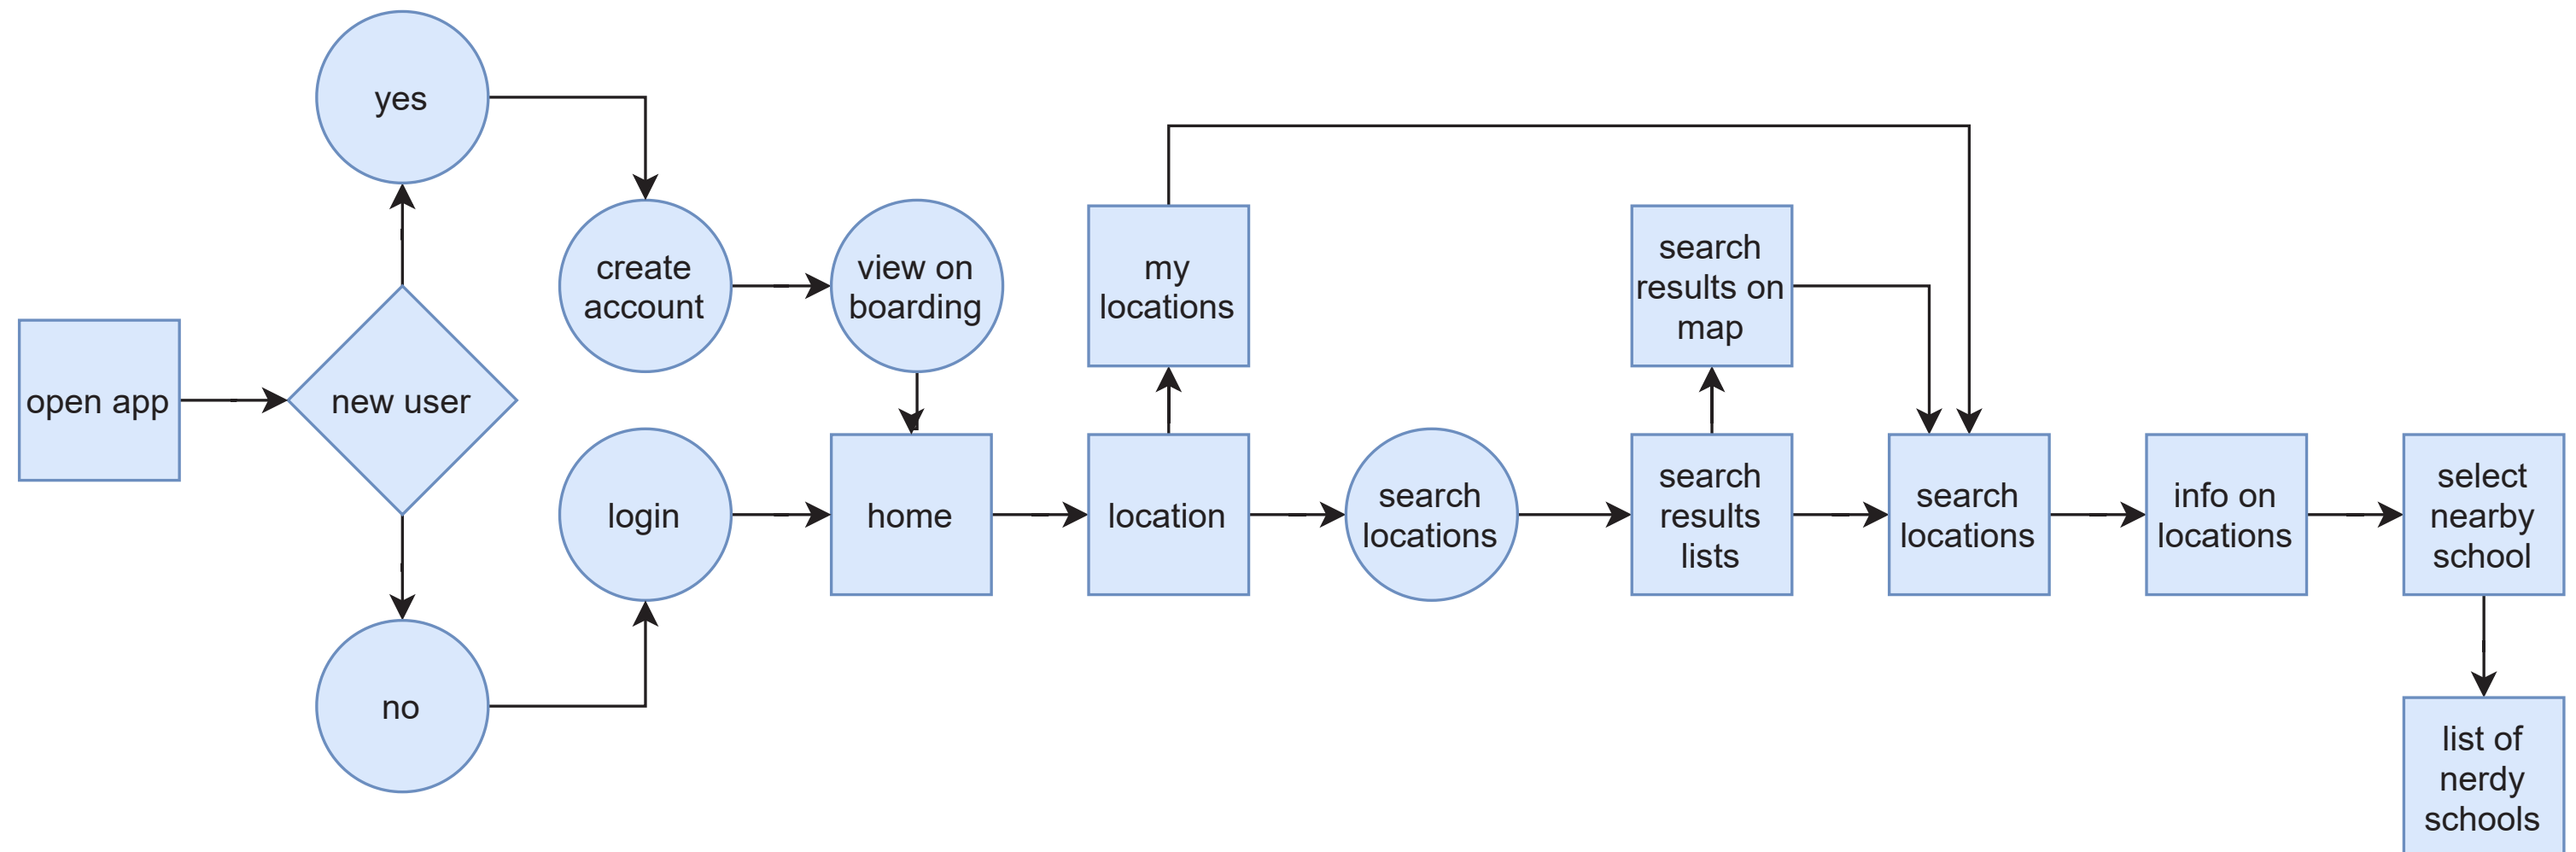

Open app

Success criteria:

Surf schools close to chosen location listed

USERFLOW

LIST SURF SCHOOLS NEARBY CHOSEN LOCATION

USER STORY

As a beginner surfer, I want to be able to list all the surf schools nearby, so that I know what my options are.

TASK FLOW 2

Entry point:

Open app

Success criteria:

Live Webcam view opened; conditions are seen.

USERFLOW

CHECK LIVE WEBCAM VIEW ON SAVED LOCATION
